F

**FYI**

The Lysol® brand name is synonymous with cleaning and disinfection. Virtually every consumer not only recognizes the brand, but has also used a Lysol® brand product. The Lysol® brand consists of a full range of products that tackle cleaning and disinfecting tasks in each room of your home or business with speed and efficiency.

Lysol® kills 99.9% of germs in 30 seconds. No family of cleaners and disinfectants has killed more germs on more surfaces than Lysol® products, the brand that has helped to keep America germ-free for more than 100 years.
