F Foot Pedal Rolltop Container

Slim, oval shape fits easily in tight spaces. Rolltop lid opens without drawing odors into the air, and eliminates the need for overhead clearance. Wraparound foot pedal provides handsfree access from front and sides. Stainless steel lifting rods for long-lasting performance. Beige. 14½-gallon capacity. 14½w x 22¼d x 27¾h.
RCP 6177 BEI **Each 112.42**

FYI

CSFM (California State Fire Marshal) listing is obtained for various types of containers against specific criteria. Following receipt of UL and/or FM approval, the results are submitted/accepted by California pursuant to section 13144.1 of the California Health and Safety Code. The State of California is generally regarded as having the most stringent fire codes in the U.S.

FM (Factory Mutual) is an independent testing agency whose approvals are based on Standard 6921 Combustible Waste Containers. Standard 6921 is performance criteria for containers with covers (lids) and their ability to withstand internal fires, maintain a certain range of stability, if dumped, and stay intact over a wide temperature range.

Rear roller on **E** provides stability and easy transport.

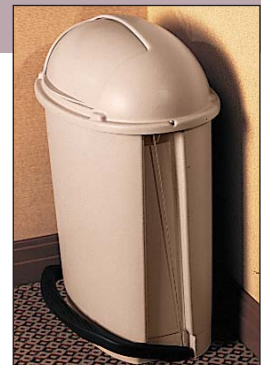

Step on it!

Tight-fitting, overlapping lid has a deodorant block holder.

Roll top lid opens easily without the need for overhead clearance.

Slim, oval shape fits under counters and out of the way.
